

Paradox Productions, Inc.

Avoid Costly Mistakes

# How to Choose a Metal Fabricator

[www.bossmetalfab.com](http://www.bossmetalfab.com)

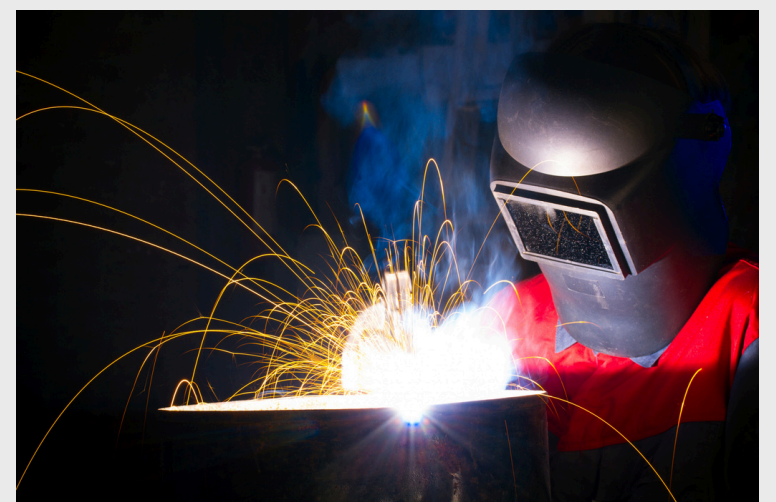

# Dangers of Making the Wrong Choice

Choosing the wrong fabricator can lead to:

- delays
- quality issues
- unexpected costs

Paradox Productions, Inc.

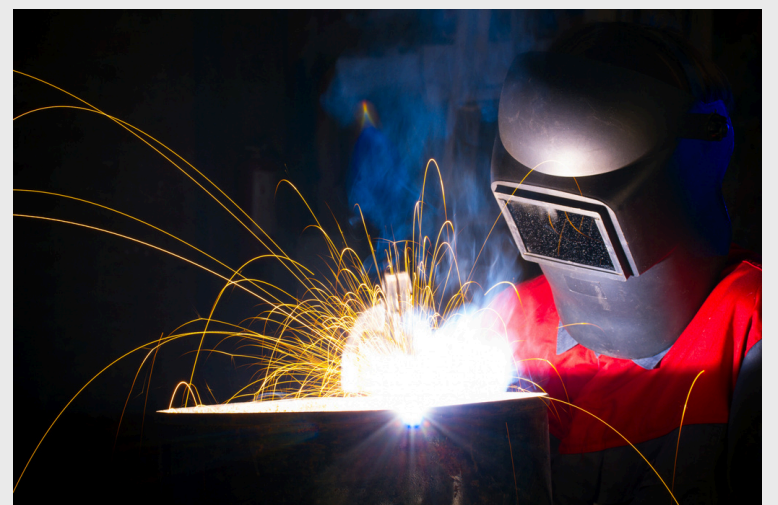

# Look at Experience

Pay attention to:

- years in business
- completed similar projects to yours

Experience reduces risk and improves outcomes.
